

Morning Prayer for the Day

Heavenly Father,

Thank You for the gift of a new day. Thank You for Your mercy that is new every morning and for Your faithfulness that never fails. As I begin this day, I commit my life, family, work, ministry, and plans into Your hands.

Lord, guide my steps and direct my decisions. Fill me with Your wisdom, strength, and peace. Let Your favor surround me like a shield. Open doors that no one can shut and make a way where there seems to be no way.

Protect me from every danger, accident, sickness, and evil plan of the enemy. Let Your angels watch over me and my loved ones throughout this day. May my words, thoughts, and actions bring glory to Your name.

Bless the work of my hands. Let every effort I make today produce good fruit. Grant me divine opportunities, supernatural provision, and meaningful connections. Help me to walk in faith, love, humility, and obedience.

Father, let Your presence go before me and give me victory in every battle. May this day be filled with joy, peace, favour, and testimonies. I receive Your grace to overcome every challenge and to fulfil Your purpose for my life.

In Jesus' mighty name, Amen.
