

MESSAGE FOR THE DAY

God Has Not Forgotten You

"Can a woman forget her nursing child, and not have compassion on the son of her womb? Surely they may forget, yet I will not forget you." — Isaiah 49:15

There are seasons in life when it may seem as though God is silent and distant. Prayers appear unanswered, doors remain closed, and hope grows faint. Yet God's silence is never His absence. He sees you, knows your struggles, and remembers every promise He has spoken over your life.

When Hannah prayed for a child, God remembered her. When Joseph sat in prison, God had not forgotten him. When the Israelites cried out in Egypt, God heard their prayers and delivered them. In the same way, God knows exactly where you are today.

Do not measure God's faithfulness by your current circumstances. His plans are still unfolding. His timing is still perfect. What He has promised, He is able to fulfil.

Hold on to your faith. Continue to pray, trust, and obey. The God who remembers His covenant will remember you. Your season of breakthrough, restoration, and testimony is closer than you think.

Prayer

Heavenly Father, thank You for Your unfailing love and faithfulness. When I am tempted to doubt, help me to trust Your promises. Strengthen my heart and remind

me that You have not forgotten me. In Jesus' name,
Amen.

Faith Declaration

God has not forgotten me. He knows my name, sees my need, and is working all things for my good. I will trust Him, wait patiently, and rejoice in His faithfulness.
Amen.

Be encouraged today: the God who remembers every sparrow certainly remembers you.
