INTRODUCTION

Everything we possess comes from God. Our time, abilities, finances, opportunities, relationships, and possessions are gifts entrusted to us by the Lord. God does not expect us merely to own these things; He expects us to manage them faithfully for His glory and the advancement of His Kingdom. Stewardship is therefore not about ownership but about faithful management. One day every believer will give an account of how they used what God entrusted to them.

1. UNDERSTANDING BIBLICAL STEWARDSHIP

When we use our time wisely, develop our gifts, manage our resources responsibly, and seize opportunities for God's glory, we become faithful stewards. May each of us live in such a way that when we stand before the Lord, we hear Him say, "**Well done, good and faithful servant.**"

Summary

Faithful stewardship honours God through wise management of time, talents, resources, and opportunities.
